

# **SAMPLE SERVICE AGREEMENT**

## **1. SCOPE OF WORK**

The contractor will provide full-stack development services including:

- Frontend development using React and TypeScript
- Backend API development with Node.js
- Database design and implementation
- Comprehensive testing and deployment
- Post-launch support for 30 days

## **2. PAYMENT TERMS**

Payment of \$7,500 will be made in three installments:

- 40% upon project start
- 40% upon milestone completion
- 20% upon final delivery

## **3. TIMELINE**

Project completion is expected within 10 weeks from start date.

## **4. INTELLECTUAL PROPERTY**

All code and designs become property of the client upon final payment.

Source code will be provided in a private repository.
